New saw at Salzgitter Mannesmann Stahlhandel

Stainless Steel Tubes cut to length!

We are pleased to extend our service for you. After installation of a new fully automatic bandsaw in our central warehouse for seamless stainless steel tubes we are able to offer fixed lengths as well:

Sawing range: OD 25 – 219.1 mm

Tolerance: -0 / +3 mm
(tighter tolerance on request)

We look forward to receiving your enquiries!
